

# Scott Willis selected as a leading real estate lawyer by Who's Who Legal

WWL researches the global real estate market to identify the leading practitioners in each jurisdiction.

The listed attorneys are among the most prominent in the field and are well versed in the full range of real estate services, including acquisitions and disposals, leasing, planning and development, joint ventures, financing and real estate management.

Locally, Scott has represented Rouses Markets during its expansion to 60 plus stores, including acquisitions, leasing, construction and remodeling of numerous stores.
